

L RESPONSE TO RESTRICTION

The Examiner believes that the system of Claim 1-11 (Group I) are distinct from the device of Claims 12-15 (Group II), the method of Claims 16-19 (Group III) and the system of Claims 20-24 (Group IV).

The Claims have been amended. The claims of Group II have been amended so they are now part of Group I. Group I, therefore now contains Claims 1-15.

The Applicant selects Claims 1-15 for the purposes of examination and reserves the right to reintroduce the matter of Claims 16-24 in a divisional, continuation or continuation-in-part application. Claims 16-24 have been subsequently withdrawn from consideration.

Respectfully Submitted,
